

E23: Total Synthesis of Lycopalhine A [1]

[1] Yuji Ochi, Satoshi Yokoshima, and Tohru Fukuyama, *Org. Lett.* **2016**, *18*, 1494–1496

E23: Total Synthesis of Lycopalhine A ^[1]

- Isolated from *Palhinhaea cernua*, fawcettimine type *Lycopodium* alkaloid
- First total synthesis made by Trauner and Williams in 13 steps starting from L-glutamic acid published in January 2016
